The election filed October 26, 2004 has been entered and made of record as paper no. 1004.

Applicant's election with traverse of claims 1-12 and 26-33 in the reply filed on October 26, 2004 is acknowledged. The traversal is on the ground(s) that "all of the claims can be made without serious burden to the Examiner". This is not found persuasive because it is a serious burden for the Examiner to examine more than one invention in an application because the fields of search are not co-extensive.

The requirement is still deemed proper and is therefore made FINAL.

This application is in condition for allowance except for the following formal matters:

Non-elected claims 13-25 must be canceled.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
